

## STRAWBERRY FIG PIE

7 c sliced strawberries  
1 c sugar  
1 T orange juice  
5 T minute tapioca  
1/2 c Fig Pomegranate Jam  
2 refrigerated pie crusts brought to room temp

Preheat oven to 350°. Put an aluminum foil covered sheet pan on the lower oven rack to catch any pie drippings while it is baking.

Grind tapioca, or use a mortar and pestle. In a bowl, stir together strawberries, sugar, orange juice, and tapioca. Let it sit for 10 minutes.

Place one pie crust in a deep dish pie pan. Pour in strawberry filling. Spoon jam over filling. Cover the pie with the second crust and seal the sides. Using a knife, make three slits in the top crust.

Bake for 1 hour. Allow to cool completely before cutting.
